

FY15-16 Estimated Acquisition Forecast for the National Guard

Our 147 National Guard contracting offices located throughout the United States are responsible for the procurement, oversight, and administration for a variety of supply, service, construction, and construction services contracts, for all fifty States, the District of Columbia, and our territories of Guam, Puerto Rico, and the Virgin Islands. This is our estimated forecast of opportunity for Fiscal Year 2015 (1-Oct-14 to 30-Sep-15) and Fiscal Year 2016 (1-Oct-15 to 30-Sep-16). Check back often because this information will change periodically.

For additional information on opportunities use the Directory located at the bottom of our website to locate and contact the Small Business Specialist/United States Property & Fiscal Officer (USPFO)/Supervisory Contract Specialist in each State and Territory and access the National Guard Small Business website: <http://www.nationalguard.mil/Leadership/JointStaff/SpecialStaff/SmallBusinessPrograms.aspxweb>
